## 📄 SUMMARY

Integration Architect with 7+ years of experience designing scalable automation and cross-platform integrations.

Proven track record connecting Salesforce, HubSpot, NetSuite, Zendesk, and custom SaaS through Tray.io [🔗](#) and Workato.

Recognized as the go-to problem solver for complex API, authentication, and workflow challenges, delivering reliable solutions across 100+ client engagements.

## 📁 EXPERIENCE

### Founder & Integration Architect

AlgoRhythm Solutions

2025 | Remote

Founded my own consultancy, delivering Tray.io [🔗](#) integrations and collaborating with BeHive Data Solutions.

Building a personal brand under AlgoRhythm Solutions while balancing professional growth with family life.

### Lead Integrations Architect

SaaScend

01/2022 – 10/2024 | Remote US

Led client integrations across Salesforce, HubSpot, NetSuite, Zendesk, and more using Tray.io [🔗](#) and Workato.

- Delivered 30+ integrations with Tray.io/Workato [🔗](#) across CRMs and ERPs.
- Supported 100+ clients through projects, advisory, and consulting.
- Sole Salesforce expert for dev (LWC, Aura, Apex).
- Trained colleagues in iPaaS and Salesforce development.

### Salesforce Developer

SaaScend

10/2019 – 02/2022 | Remote US

The only Salesforce dev in a 20-person consultancy, driving all Apex projects and integrations.

- Built Apex integrations (REST/SOAP, OAuth) for clients incl. WPA, LeanTaaS.
- Only Salesforce dev in the firm, owning all SFDC projects.

### Salesforce Developer

Enehano Solutions

05/2018 – 10/2019 | Prague, CZ

Strengthened Salesforce and Java foundations while leading English-language projects.

- Delivered Salesforce solutions for Productboard, ČSOB, and WPA.
- Earned Salesforce Platform Dev I certification.
- Led international clients thanks to near-native English fluency.

### Lecturer

Masaryk University

09/2016 – 09/2017 | Brno, CZ

Taught the IB002 : Algorithms course

- Lectured 25 students on algorithms and data structures.
- Gained strong public speaking and mentoring skills.

## 🎓 EDUCATION

### Master's degree, Computer science

Masaryk University

01/2014 – 12/2020 | Czech Republic
